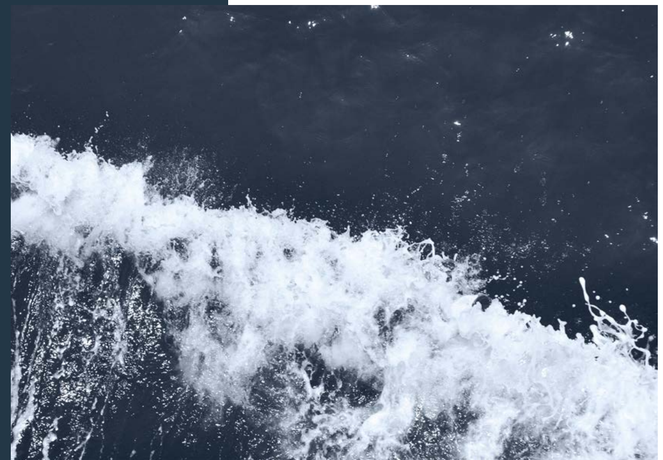
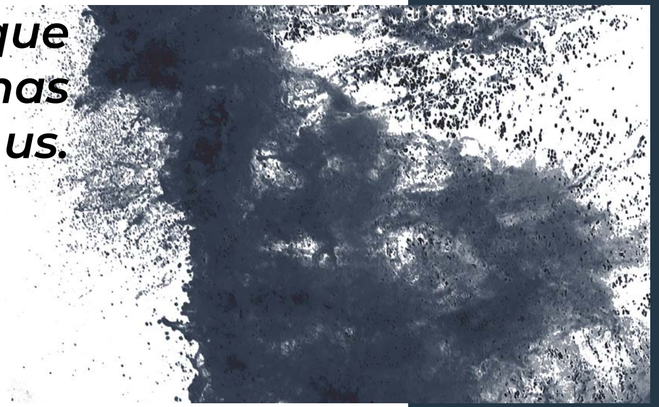
Strider 11



Each model comes from a thought, from a pencil that flows on a sheet and comes to life thanks to the passion for unique and brilliant design that has always distinguished us.



SACS

Design and architectural elements with a sharp attitude: this is the Sacs mix.

Under the aspiration of a visionary strategy, Sacs has traced the new trends in the sector by inaugurating the era of the maxiribs, which combine the comfort and safety of ribs, with the luxury and design of the yacht.

Sacs Owner is a daring enthusiast with a dynamic, smart, contemporary lifestyle.
He wants to own something special and unique that can be separated from the rest, from the masses, from the crowd. He is always looking for his own personal way of living the sea, dominating the waves and feel the taste of freedom.

Sacs, Drive the SEA.

Made in Italy since 1989

Sacs excellence shapes your thoughts.
Each Sacs is a unique masterpiece, created following the wishes and needs of the Customers.

The most advanced technologies in the sector combined with the italian craftsmanship strengthened by passion and thirty years of experience, make the most of each boat, ensuring excellent performance, in total safety.
